

# VH27G Anti Slip Tape

## PRODUCT DESCRIPTION

VH27G is an anti-slip tape, with PVC film coating and an acrylic based adhesive. This tape provides excellent grip to avoid any falls, slips, or spills in warehouse settings, wet factory floors or on stairs. Available in medium grit.

## APPLICATION INFORMATION

- Excellent adhesion and conformability.
- Great for high traffic areas such as warehouses, factories, and other areas where occupational health and safety is a concern.
- Available in a range of colours and sizes.

## PHYSICAL PROPERTIES

|                         |                  |                            |          |
|-------------------------|------------------|----------------------------|----------|
| <b>Total Thickness</b>  | 750µm            | <b>Elongation at Break</b> | 1.1%     |
| <b>Tensile Strength</b> | 7kg/25mm         | <b>Adhesion to Steel</b>   | 1kg/25mm |
| <b>Adhesive Type</b>    | Acrylic Adhesive |                            |          |
